# The STAR Project: 2019 Summary of Programs

## REENTRY SPECIALIST:

STAR's Employment program began in August of 2014 with the hiring of **Lenel Parish**. In 2020, Lenel:

- 72 clients served

Lenel teaches Employment Readiness courses to STAR clients, assists in resume development and job searches, places people through on-the-job-training, and pursues employment outreach to businesses.

Throughout 2020, Lenel worked for STAR on a full-time basis: half of her time is spent in STAR's employment program, and the other half is spent conducting pre-release transition services.

- 12 pre-release applications received
- 5 clients served directly after incarceration

Lenel is also certified in Moral Reconciliation Therapy.

## HOUSING COORDINATOR:

**Lucinda Victorio** joined the STAR team in July of 2019. Throughout 2020, STAR's housing program logged the following service levels:

- 33 new housing leases signed
- 8 children housed with parents
- 80 total clients served

In addition to working directly with clients, Lucinda focuses on building relationships between STAR and the landlord community. She teaches an in-house Ready to Rent course, regularly attends community safety meetings, and provides educational materials to area landlords.

## CASE MANAGER:

**Karen Gleason** joined the STAR team in January of 2019. In 2020, STAR's Case Management program served:

- 54 new clients served through intake appointments
- 131 clients served through substance-use disorder based appointments
- 5 clients served through Moral Reconciliation Therapy

Services provided include: generalized case management services, Peer-to-Peer substance use disorder support, in-house classes including Moral Reconciliation Therapy, and referrals for other services in the Walla Walla community.

## EDUCATION:

In 2020, STAR program staff members worked diligently to enroll clients into higher education. Staff members provided assistance with FAFSA completion, connections to academic advisors, assistance with scholarships, budgeting, and more.

All staff members contribute to STAR clients' successes in higher education.

- 131 education-based appointments
- 9 individuals enrolled in higher education
- 2 graduates from WWCC

A large portion of STAR's clients are involved with substance use disorder treatment programs through community partners. In 2020, we had the following graduations:

- 7 people graduated Intensive Outpatient Treatment through Serenity Point
- 3 person graduated from Adult Recovery Court

## Recidivism

### Monthly Group Dinners

- Monthly group dinners were halted in March 2020 due to the pandemic.
- We look forward to hosting again in 2021!

- 14.6% average recidivism rate of STAR clients
- 32.2% average recidivism rate for Washington State
- Annual average of **24 new felony crimes prevented** in Walla Walla in 2020 through STAR services
